Announcing With Pleasure

The opening of *STACK'S AUCTION GALLERIES* in our building, located at 12 West 46th Street, on or about September 15th.

We are expanding our present quarters to nearly five times their present size. The enormous attendance and success of our public auction sales prompted us to do this. Our new air conditioned galleries will be able to seat 300 people comfortably.

We have also enlarged our personnel with additional experts in order to give you better service.

These additional facilities are available to you whether you are buying or selling coins. If you are contemplating selling your collection at public auction, we remind you that our commission rates are still the same as they were 20 years ago. Our program is capable of properly conducting sales almost weekly. Fall bookings can now be arranged.
